1. PURPOSE:

This document describes the standard product repair and extended product warranty terms and conditions offered by Cobham Avionics (the service provider) located in Prescott, Arizona U.S.A.

2. SCOPE:

The services provided are those under the control of Cobham Avionics for the products manufactured by Cobham Avionics in Prescott, Arizona USA.

3. REFERENCE AND RELATED DOCUMENTS:

A. Standard Terms and Conditions of Sale

The warranty set forth herein is subject to the terms and conditions of the sale at the time of purchase of the product (the "Standard Terms and Conditions of Sale"). A current copy of these terms is available at the web site set forth below, and archival versions are available from Cobham Avionics, Prescott (USA). Any inconsistency between this warranty and the terms and conditions shall be governed by this instrument.

<http://www.wulfsberg.com/Customerservice.htm>

4. MAIN DOCUMENT BODY:

The service provider operates a full Depot-level repair station in Prescott Arizona that has a physical presence with the FAA Production Approval Holder of the equipment. Repairs to the component level and warranty repairs are accomplished at this site along with direct corrective action coordination with design Engineering and manufacturing Quality organizations.

A. OFFERINGS:

Cobham Avionics provides standard repair warranty terms and conditions and optional extended warranty under the following circumstances.

(1) Standard repair warranty:

Repaired products within the term of the original product warranty provided in Section 9.1 – Warranty, Exclusion and Limitation of Liability and Indemnity, as stated in the Standard Terms and Conditions of Sale, shall retain the original product warranty for the unexpired portion of the original product warranty.

Repaired products not within the term of the original product warranty are warranted under this Repair Station warranty to be free of defects in material and workmanship for matters addressed in the paid repair (and not for other underlying issues within the unit(s) for a period of ninety (90) days from Cobham Avionics' shipment of the repaired product to Purchaser. Cobham Avionics' total obligation, and Purchaser's sole remedy under this warranty is limited, at Cobham Avionics' option, to repairing or replacing the repaired product or re-performing the repair service.

Cobham Avionics will refund to Purchaser the cost of carriage on the return of any product determined to be defective and within warranty, and will deliver any repaired or replacement products (at its election) to Purchaser at Cobham Avionics' own expense. Please contact Cobham Avionics to obtain a freight courier account number for prepaid shipping of the return.

All import/export fees, taxes, duties, customs fees, documentation fees, and clearance fees shall remain the responsibility of the Purchaser. Please contact Cobham Avionics to obtain a freight carrier account number for prepaid shipping of the return.

If Purchaser returns a product for warranty repair and Cobham Avionics determines that the product is ineligible for warranty repair due to the warranty exclusions specified in Section 9.1, *Warranty, Exclusion and Limitation of Liability and Indemnity* within the *Standard Terms and Conditions of Sale*, Cobham Avionics will notify the Purchaser of such exclusion and Purchaser shall have the option of having Cobham Avionics repair or exchange the product at Purchaser's expense, or return the product without repair. Purchaser shall be responsible for all transportation charges.

All returns and repairs shall occur in accordance with the then-current applicable policies set forth at: <http://www.wulfsberg.com/Customerservice.htm>

THE FOREGOING WARRANTIES ARE PURCHASER'S EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF NON- INFRINGEMENT AND NON-INTERFERENCE AND THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS, OR USAGE FOR A PARTICULAR PURPOSE.

(2) Products currently within warranty terms:

Units covered under warranty, whether they be covered by factory new warranty or by a previous extended warranty plan, must be registered for extended warranty coverage within 30 days of expiration of warranty expiration period.

(3) Products currently outside the terms of warranty coverage:

Each unit not currently covered by a factory new or extended warranty plan must be returned to the factory repair station located in Prescott, Arizona to have acceptance testing and re-certification conducted at the owner's expense prior to acceptance as an extended warranty item.

The owner shall also be financially responsible for labor and materials necessary to repair an item to bring the product to acceptance standards.

Such items must have been sold or registered within the most recent 48 month period to be eligible.

B. COVERAGE:

Product covered by extended warranty shall be covered by the same terms and conditions as factory new items. Extended warranty may be considered an extension in time of the original manufacturer's warranty.

C. REGISTRATION

Warranty coverage will not be provided unless the Purchaser has previously registered the product's part number and serial number with Cobham Avionics.

D. LIMITATIONS:

Physical damages, customer induced damage, and cosmetic problems shall not be covered by extended warranty.

No products shall be covered under the extended warranty program for more than 60 months from the date of purchase or factory new registration at the time of initial installation.

Extended warranty coverage is non-transferable.
